fête

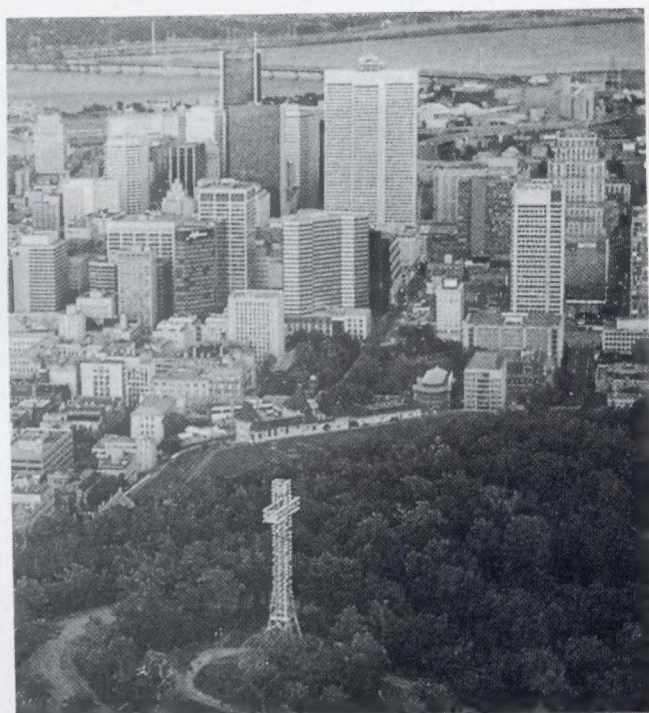

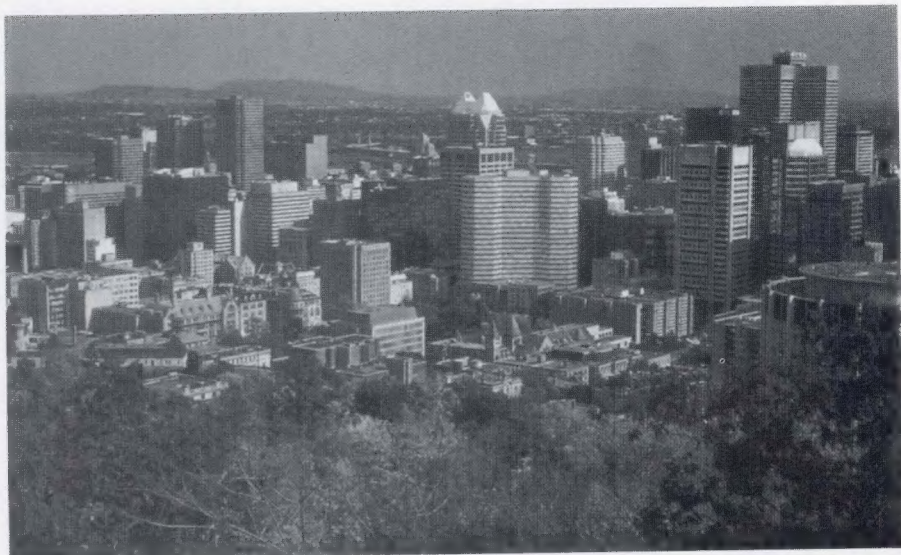

1992, the year of your graduation, is also the 350th anniversary of the city of MONTREAL. As you peruse the pages of this publication, you may be in Calgary or Toronto or Vancouver or Lagos or Hong Kong or New York or Sherbrook - just a tiny sample of the many places on earth our graduates make home. We wanted you to have some memories of the beautiful city you spent 3,4,5 or more years studying for your degree at Concordia. Bonne fête, Montréal! Bonne chance finissants(es)!

NEW LIBRARY COMPLEX OPENS ... AT LAST!!

You are the last graduates of Concordia not to have the advantage of our sparkling, new downtown library complex which opened in September, 1992. More than twenty years of hopes, dreams and plans have come to fruition. Shown on these pages in its various stages of development during 1991-1992 the \$65 million project contains study space for graduate and undergraduate students, seminar rooms, conference rooms, faculty offices, and all of the library facilities currently housed on 11 floors in four, widely scattered downtown locations.

The new building is 10 storeys at its highest point (along Mackay Street), with descending heights along de Maisonneuve Boulevard, Bishop Street, and the laneway at the southern end of the site.

This complex contains two underground parking levels, and is connected to Concordia's Henry F. Hall Building by a passageway under de Maisonneuve Boulevard.

The east side of the building, on Bishop Street, incorporates the front section of the former Royal George Apartment Building, including that structure's elegant, 79-year-old glazed terra-cotta façade.

Funding for the building was provided through two principal sources. Students, faculty, staff, and alumni joined with corporations, foundations and friends during the Campaign for Concordia to donate \$15 million towards its cost. The Québec government was the other major source of funding.

The ground floor of the complex features a spacious naturally lit, 24-foot-wide interior street and community space known as Place Concordia. The entire area is enclosed by a six-storey atrium.

Place Concordia will be the new address for the Concordia University Art Gallery, the University bookstore, a student administrative service area (e.g. Admissions, Registrar's Services and Financial Aid), a dining area and a 200-seat cinema for teaching, conferences and the Conservatory of Cinematographic Art. More than 100,000 people a year visit the Concordia Art Gallery and the Conservatory of Cinematographic Art.

Elevators and stairs on the Mackay Street side of the building lead to a second-floor lobby outside the library's main entrance. The two halves of the complex are joined across the atrium by bridges.

The main entrance to the new complex is located on de Maisonneuve Boulevard, directly across from the entrance to the Henry F. Hall Building. There are secondary entrances on Mackay Street and at the southern end of the atrium.

The library portion of the complex is consolidated on floors two, three and four, and will feature the latest in library design and equipment.

Floors five and six, as well as the half-floors of non-library space atop the building (along Mackay Street), will house some of the academic departments currently located in more than 30 annexes and rented buildings that Concordia occupies in downtown Montréal.

The library complex contains approximately half a million square feet (gross) of space divided as follows.

170,000 square feet of library and study space.

225,000 square feet of non-library space divided into

175,000 square feet of faculty offices, seminar rooms and conference rooms

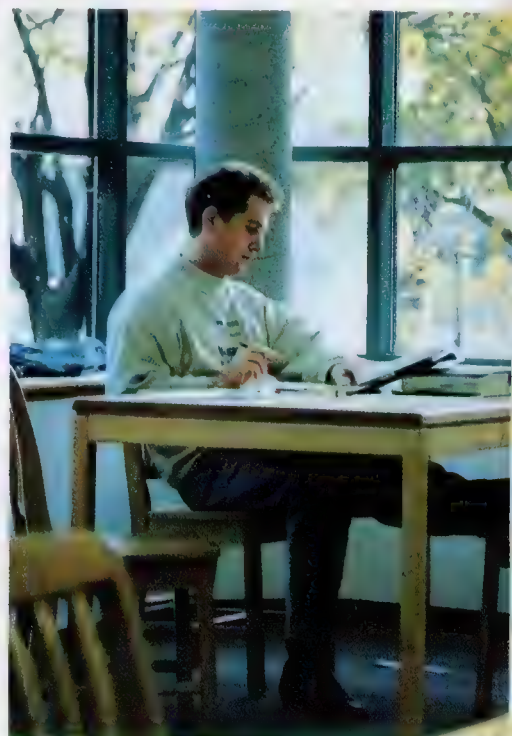

50,000 square feet on the ground floor for community space (the bookstore, cinema and art gallery, etc...)

The remaining space is located on two basement levels.

COMMUNIQUE

ACTIVITIES

HOMECOMING

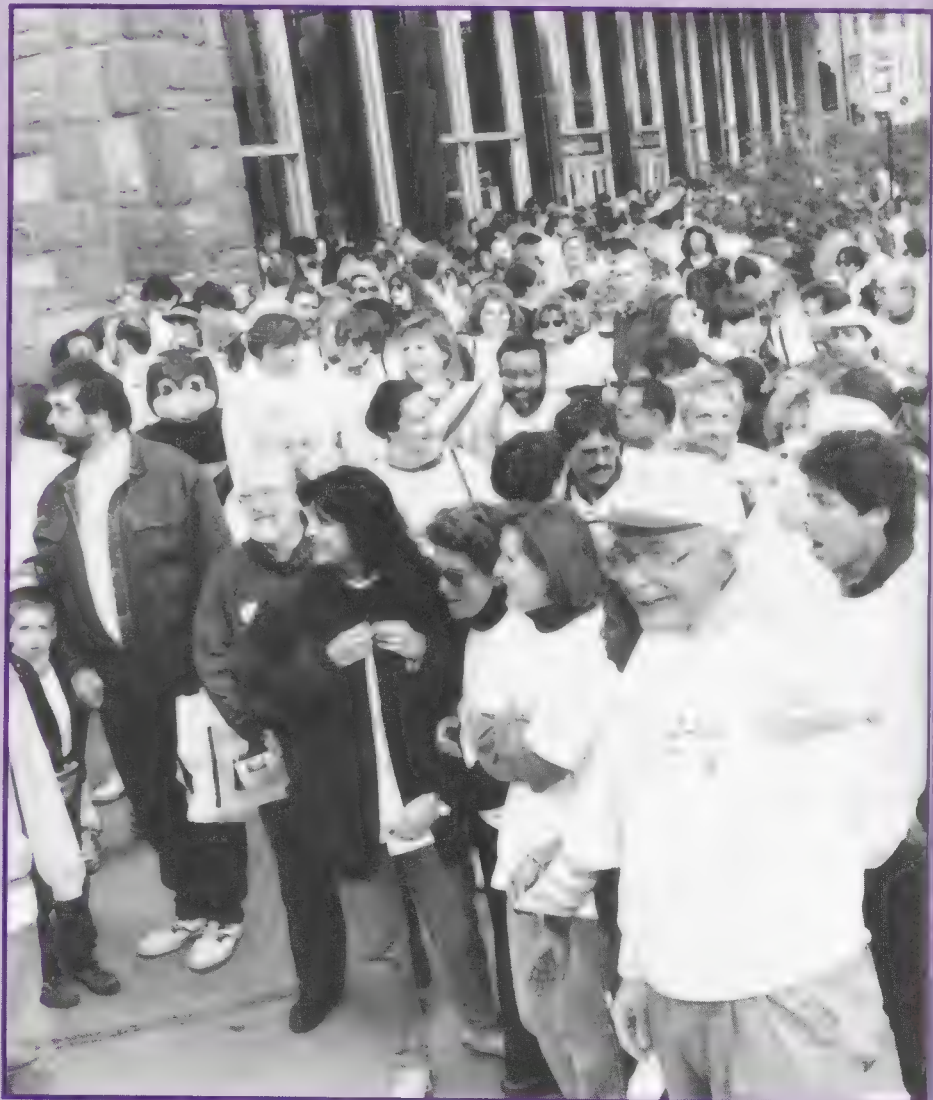

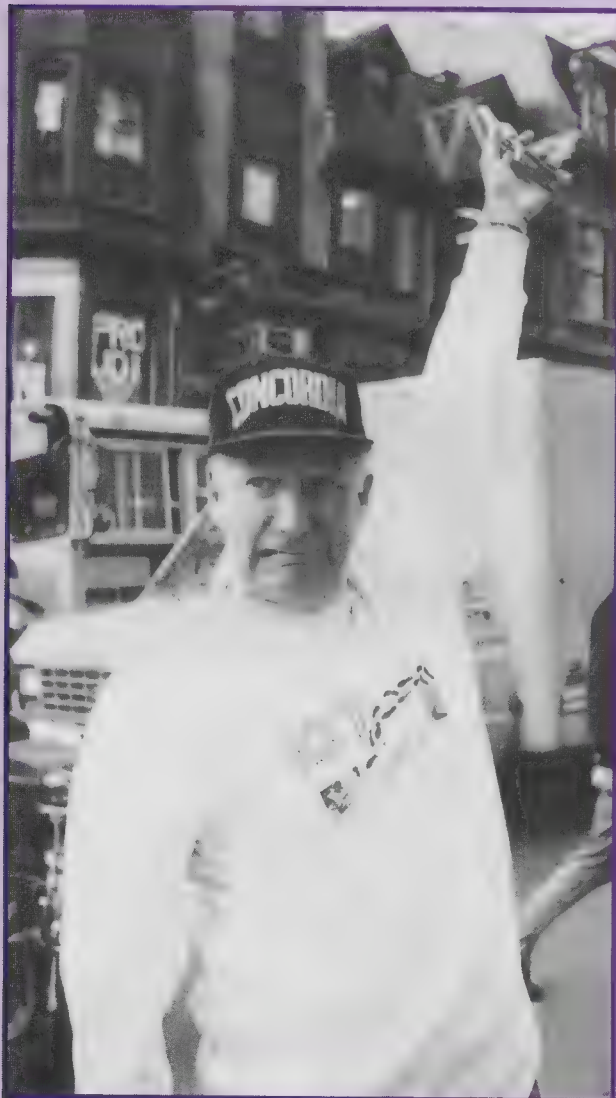

Concordia's Second Annual Homecoming kicked off on October 3rd, 1991 under the banner, "Come discover the University". Many activities took place throughout the weekend for graduates, current students, faculty & staff, their guests and families. One of the biggest turnouts was at the Homecoming Cup, where the Stingers beat the McGill Redmen 28-15. Proceeds from the game went to the Shriners' Hospital for Children.

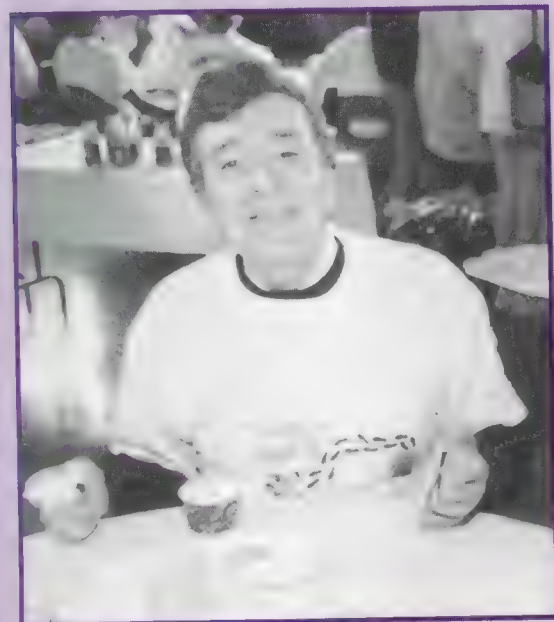

THE CONCORDIA SHUFFLE II

The turnout at the second Concordia Shuffle was great: 303 Shufflers battled the weather to walk/run/jog/bark from the Sir George campus Loyola, raising over \$17,000 for student bursaries and scholarships in the process!

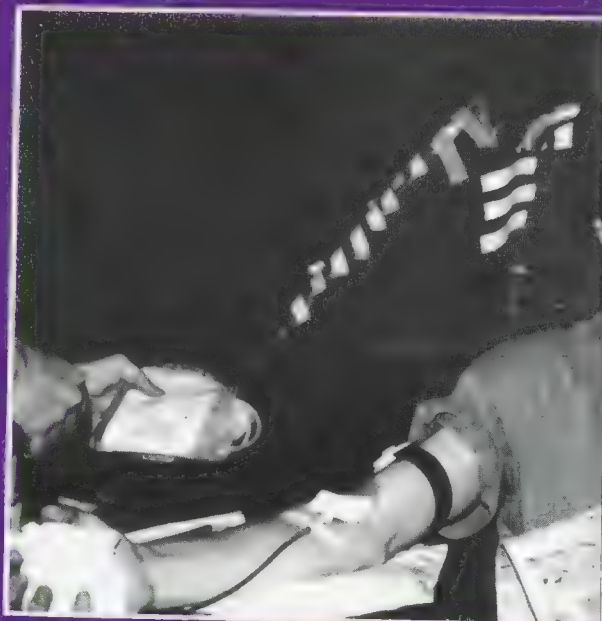

BRIDGE DESIGN COMPETITION

The 8th Annual Civil Engineering Bridge Design Competition (on March 6th 1992) was a 'crushing' (ha! ha!) success, with participants from various Canadian universities. The Ecole Polytechnique took the top prize. Two teams from Concordia walked away with prizes -- 'Last Minute Bridge' took third prize while 'Get Bent' won the prize for aesthetics.

For many, the yearly blood drive is an opportunity to help others, to hang out with friends, to exercise facial muscles, or to catch up on the news.

THE MEZZ. ...

The mezzanine in the Hall building is always an exciting place to visit. Exhibitions, displays, demonstrations, and performances can be seen almost daily throughout the school year.

The Assembly of First Nations, Concordia had an event day on the mezz., with speakers, music and dances, as well as various information tables. They also set up during the Orientation "Street Fair" in September.

Sexual Harassment Awareness Week (September 24, 25, and 26, 1991) provided students, staff, and faculty with the opportunity to see "Model Mugging" in action (see next page). It is a self defense course designed for women. Through the use of trained "muggers", it helps them learn to use their natural body strength to defend themselves against attack.

WOMEN'S BASKETBALL

Front row, left to right: Barry Castello (Therapist), Karen Chapman (Therapist), Sharon Sandy, Caroline Gagnon, Tanya Guitman, Catherine Gagnon, Roberta Boyle, Linda Benjamin.

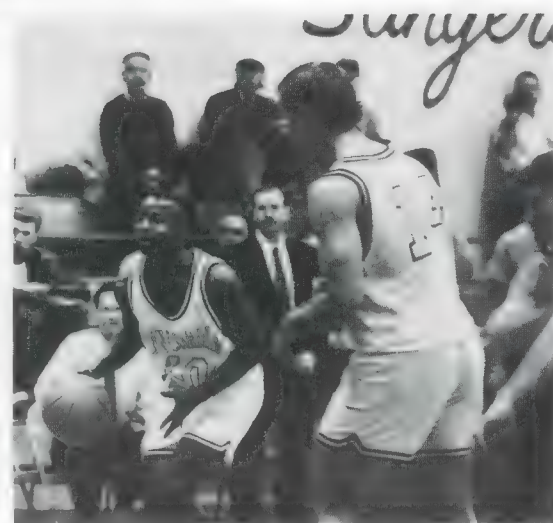

Back row, left to right: Sandra Mullins (Assistant Coach), Mike Hickey (Head Coach), Christine de Jordy, Natalie Gutz, Lori Lozo, Joan Seaman, Julie Kinsella, Karer Jarrett-Thelwell, Tanya Donan (Manager).

The women cagers showed improvement but still failed to make the play-offs for the seventh consecutive season. However, with 10 to 12 players returning in the 1992-93 season, the future looks bright. Highlights of the season were back-to-back victories over the McGill Martlets and a come-from-behind win over the Queen's Golden Gaels. Second year player Sharon Sandy and team captain Tanya Guitman were selected to the QSSF All-star team.

MEN'S BASKETBALL

The men's basketball team dominated the Ontario East en route to their fourth consecutive title and a return trip to Halifax, the site of their 1990 championship victory. However cold shooting from the floor proved costly as Concordia dropped a close 83-77 decision to the Winnipeg Wesmen in the opening round. Veteran guard Dexter John was named to the All-Canadian team while Ernie Rosa, Robert Ferguson and Emerson Thomas joined John on the league All-star team.

Back row, left to right: John Dore (Head Coach), Chris O'Brien (Manager), Jeremy Smyth, Pat Sullivan, Robert Lavoie, Kevin Forman, Raphael Tyrrell, Dexter John, Harvey Liverman (Assistant Coach).

MEN'S RUGBY

The men's rugby team finished third in the Quebec division, bowing to Bishop's in the league's semifinal play-off. But the season continued with two impressive showings in exhibition tournaments in the United States. In December they reached the collegiate finals of the Big Apple Invitational and registered a 2-1 record in March in a Washington-based tourney. The Stingers will miss veteran Mike Grant, who graduated this year. Grant was a vital factor in the development of the team both on and off the field. Wales native Brett Hansen and rookie Roger Thomas made major contributions to the team this year.

Front row, left to right: Chris Lansdown, Ron Start, Michael Knott, Mike Grant, Al Quail.

Middle row, left to right: Bob Swail, John Landry, Roger Thomas, Peter Jackman, Andrew Tenpas, Andrew Duffield, Kevin Dearden, Brian Greening, Spiros Panagakos (Therapist).

Back row, left to right: Bob Ghita, Dan Collins, Brett Hansen, Eric Robert, Eliaze Mainberger, Pat Spence, Martin Lampron, Robert Cussens, Paul McBride, Owen Falquero.

Absent: Greg Thaggard (Head Coach).

WOMEN'S RUGBY

Front row, left to right: Bobbi Jo Doyle, Tanya Fiori, Ann Furlotte, Josée Lacasse, Micheline Green, Linda Williams, Roseline Koszegi.
 Middle row, left to right: Thomas Ingerman (Coach), Christine Regimbal (Manager), Laura Morrison, Tracelyn Bregg, Jodi von Colditz, Angela Howell, Tina Verdoni, Shelia Cockburn, Greg Thaggard (Coach).
 Back row, left to right: Christina Cogan, Linda Miler, Christel Monod, Danielle Holland, Julie Tremblay, Francesca Johnson, Julie Walker, Karen Smith.
 Absent: Michelle Godberson, Sue Jenkins, Robin Goudreault, Kelly MacKay.

The women's rugby team had an outstanding season as they marched through the season undefeated en route to their first Quebec Women's Intercollegiate Rugby League title. The talent-laden squad featured league all-stars Shelia Cockburn, Micheline Green, Josée Lacasse, Linda Miller, Christel Monod, Jody von Colditz and Linda Williams. With a solid organization and a strong nucleus of returning players, the Stingers should be a dominant force in Quebec rugby for years to come. Micheline Green was a member of the Canadian National rugby team which participated in the First Women's World Cup in England.

WOMEN'S SOCCER

Front row, left to right: Annie Caron, Edith Roberts, Valérie Gaston, Nathalie Steppacher, Chantal Golding.

Middle row, left to right: Lionel Joseph (Head Coach), Lora Hutchison, Vanessa Marshall, Isabel Delage, Deanne Miller, Alexandra Jones, Linda Benjamin, Alex Polidora (Assistant Coach), Gaspard D'Aleix (Assistant Coach).

Back row, left to right: Alisha Reilly-Roe, Melanie St-Jules, Natalie Lessard, Angie Pidgeon, Astrid Mel, Rhonda Baptiste, Genevieve Lussier, Nick Arcaro (Therapist).

The women's soccer team came up a little short, falling to the McGill Martlets in the play-off finals. Annie Caron, a National team member and Heidi Jones were both named to the CIAU All-Canadian team while teammates Chantal Golding and Isabel Delage joined them on the league's dream team. With the graduation of Jone, Leslie Clement and Valérie Gaston the 1992 Stingers will feature a new look.

MEN'S SOCCER

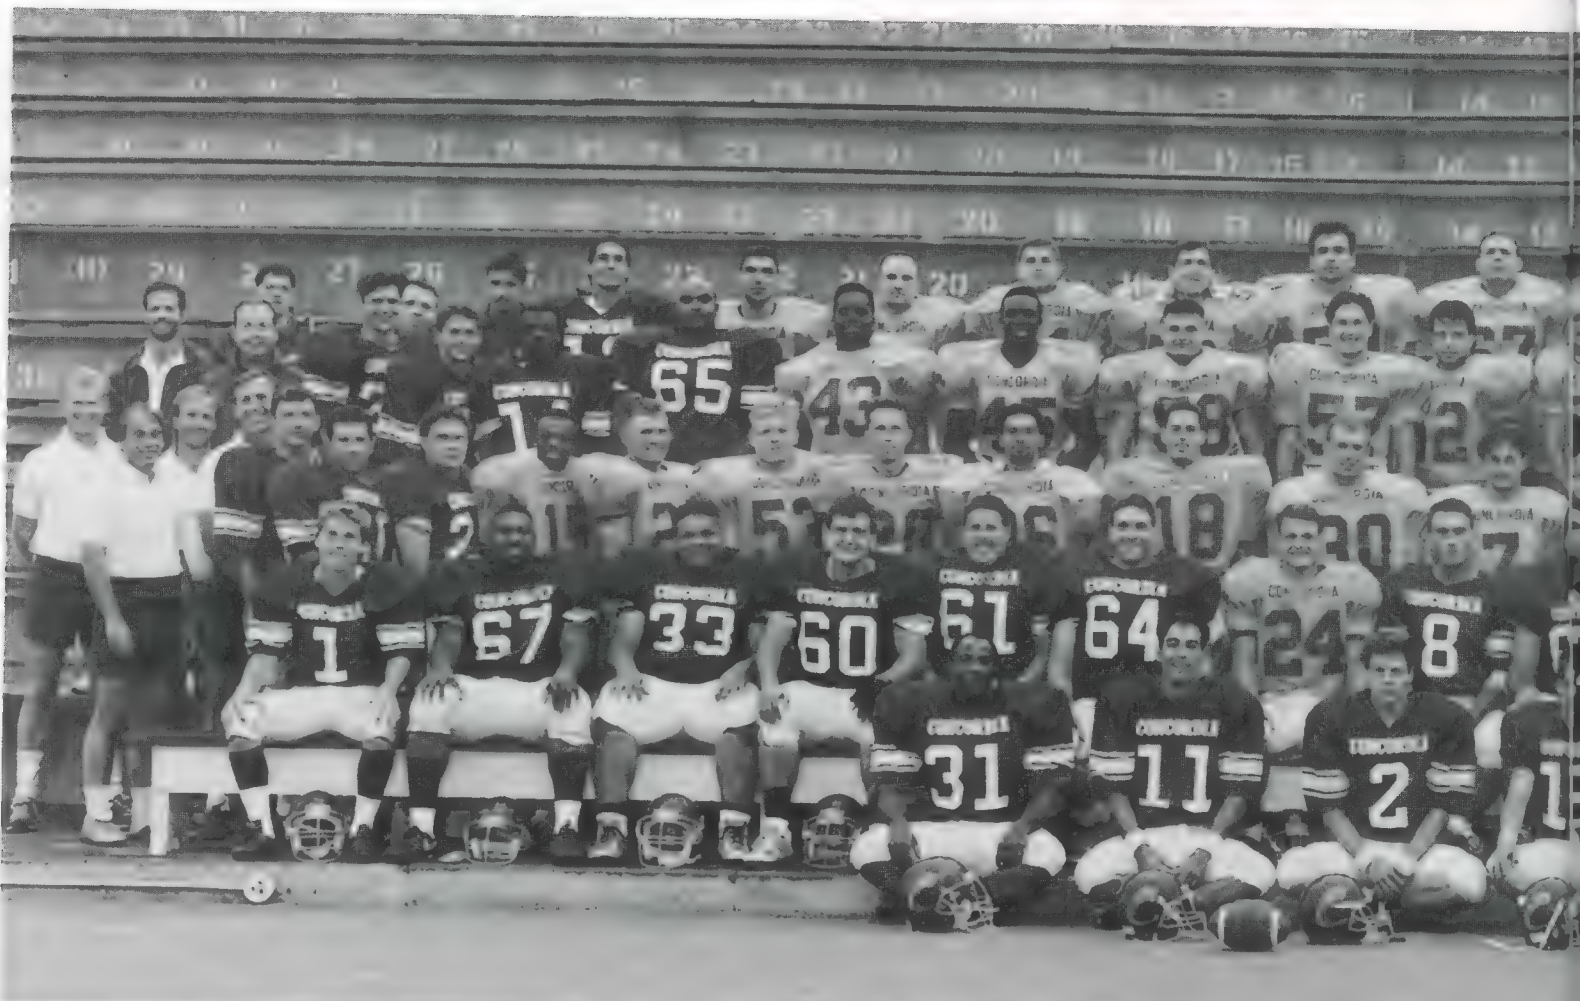

The men's soccer team finished a controversial season ranked in the CIAU Top Ten and coming within an eyelash of upsetting league champion McGill in the Quebec Championship. The Stingers, led by All-Canadian Grant Needham, overcame great adversity throughout the season to advance to the QSSF finals against the first place McGill Redmen. Playing without several key players due to injuries and suspensions Concordia battled McGill to a scoreless tie through regulation time and double overtime before the game was finally decided by penalty kicks with McGill edging the Stingers 2-1 on the final kicks. Needham, a member of the Canadian National team and the Montreal Supra, capped off a fine rookie season by being selected to the QSSF All-star and All-Canadian squads while Paolo Schiavoni was also selected as a QSSF All-Star.

FOOTBALL

The football team advanced to the league play-offs for the third consecutive season under head coach Pat Sheahan before suffering a heart-breaking 25-23 loss to Queen's in the first round of the play-offs. The Stingers played an exciting brand of football throughout the season led by All-Canadian Jean-François Héroux and Jacques Moreau. Quarterback Ron Aboud, a 1991 All-Canadian selection, finished an illustrious career as one of the all-time passers in league history.

Goaltender Marie-Claudé Roy was selected to the Canadian National Team and helped lead Canada to a World Championship in Finland in April.

They earned the final play-off spot in the Ontario University Athletic Associations and then dropped a heartbreaking 3-2 decision to the University of Toronto Blues in a sudden death play-off match. However, Rob Dawson, Concordia's Male Athlete of the Year, won his fifth consecutive gold medal in CIAU National Championships and is now heading to Barcelona to represent Canada in the Summer Olympics. Anthony Merlo captured the silver medal to cap off another fine season and Dave Chodat won the bronze in his category.

The women's volleyball team continued to improve but paid the price of being in the country's most competitive league. Coach Melanie Sanford's squad captured the University of Vermont, McGill and Concordia Invitationals and earned a play-off spot in the tough QSSF conference. Veterans Heather Baragar, Anne Szili and Norma Tavormina provided leadership and strong floor play for the Stingers.

The Concordia ski team, bolstered by a strong performance in the women's division, took third place in the Quebec University Ski Circuit. Former Olympian Julie Klotz took the overall title in the women's section while Tanya Gilmour, Judith Ameli and Jenny Wright provided strong performances throughout the season. Mark Tilden was the Stinger's top male skier, placing 11th overall, followed by Gaby Takacs, Brad MacKenzie and Nicolas Lepipas.

ATHLETIC AWARDS

MALE ATHLETE OF THE YEAR **ROB DAWSON**

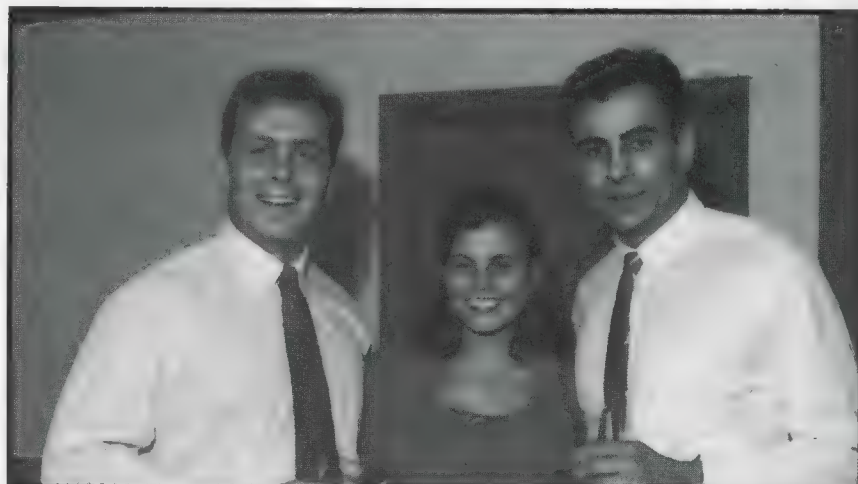

Wrestling

Rob ended his interuniversity career the same way he began - by winning a gold medal at the Canadian Interuniversity Athletic Union National Championships - his fifth consecutive gold medal. This National team member has represented Canada internationally and **is presently preparing for the Barcelona Olympics.** Earlier this year he captured gold medals in the Guelph and McMaster Opens.

FEMALE ATHLETE OF THE YEAR **MARIE-CLAUDE ROY** - Hockey

Marie-Claude has been outstanding since joining Concordia three years ago. The third-year French Studies major has helped backstop Concordia to a 42-2-1 league record since joining the Stingers and was chosen to the Canadian National Team which will compete at the World Championships in Finland from April 19-26. She was also named Sun Life Athlete of the Month for February.

NIGHT - APRIL 2, 1992

FEMALE ROOKIE OF THE YEAR **SHELLEY de SOUZA** Volleyball

Shelly came to Concordia after an outstanding CEGEP career at John Abbott College where she was a three-time league all-star, team's Most Valuable Player and John Abbott's female Athlete of the Year ... earned a startling berth in her rookie year ... coaching staff feels she has a bright future with the team.

MALE ROOKIE OF THE YEAR **NICHOL CLOUTIER** Hockey

Nichol joined the Stingers after three years of major junior for College Français in the QMJHL ... a solid defenceman who has the ability to move the puck out of the defensive end ... tremendous shooter ... had 18 points in his rookie year.

BOB PHILIP: A TRIBUTE

Concordia will be losing one of this country's most respected Sports Administrators when **Bob Philip** packs his bags and heads west to the University of British Columbia. Since assuming the position of Director of Athletics & Recreation in 1987, Bob Philip has transformed the athletic program into one of the most productive in Canada.

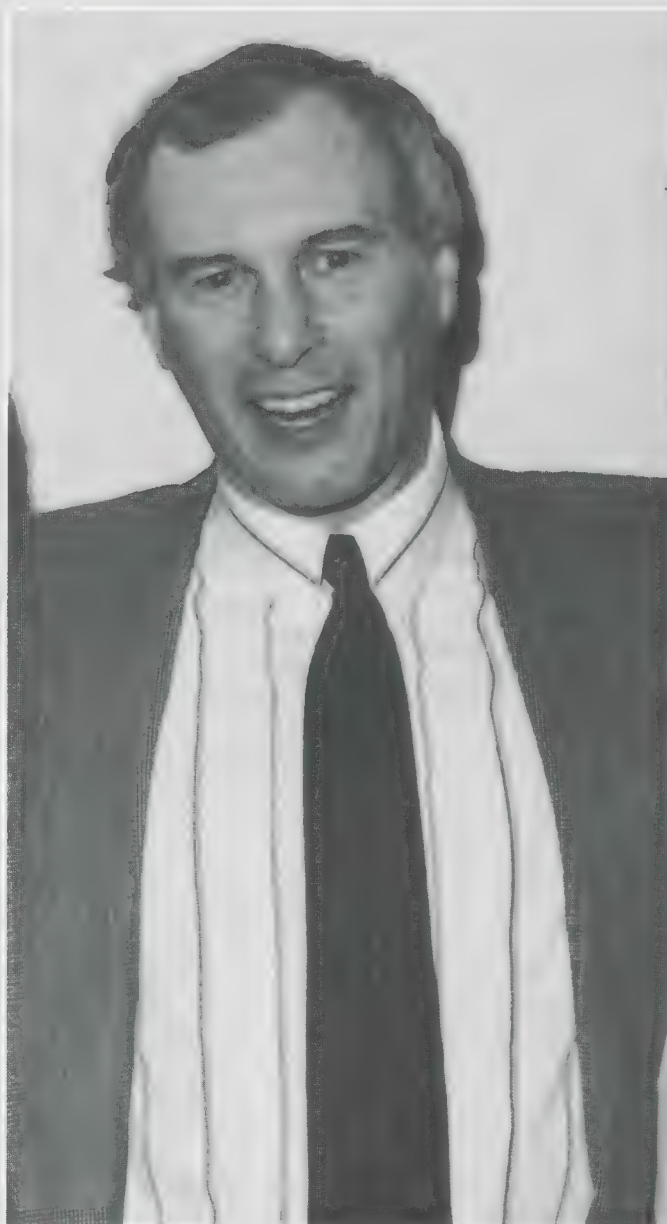

He is the president-elect of the Canadian Interuniversity Athletic Union - the sports governing body for Canadian universities. He has served as assistant Chef de Mission for the 1991 FISU Games in Sheffield (England), as the Chef de Mission for the 1987 Games, and also as a member of the Concordia Alumni Board of Directors.

Bob attended Sir George Williams and was a key member and captain of the 1969 Georgians who advanced to the National finals. He graduated from Sir George in 1969 and accepted a position as Director of Intramurals and assistant hockey coach.

In 1974 he became head coach of the Georgians and took them to the CIAU final, where they were ultimately bested by Waterloo in an exciting overtime game. He has been a great lecturer and instructor at hockey clinics in the Soviet Union, Sweden and Canada.

For the last 25 years, Bob Philip has been an integral part of the Concordia community, and we wish him well.

YEARBOOK

It wasn't easy, but we did it! Almost eight months have gone by since we began work on this yearbook, eight months of anxiety ("There's so much to do!"), stress ("Aagh! We need pictures!!"), surprise ("The deadline is *when?*!"), and, of course, fun and laughter ("Hey, check out this photo!").

Overall, we're glad we did it, and are proud of the results. We hope it will bring back memories as you leaf through it in years to come.

The list seems endless. In fact, a child's chances for a long and healthy life were once quite low. Thanks partly to progress in medicine, the odds have improved greatly.

And now, strengthened by the law encouraging pharmaceutical research in Canada, Merck Frosst will double its commitment to science. And more than double our chances of finding solutions.

Saving and improving lives takes people, motivation, leadership, and ideas – and a firm conviction that the list can be shortened.

MERCK FROSST

In search of better lives

PAAB

Research means one thing... *life.*

For thousands of Canadians, Sandoz research has meant a new lease on life following organ transplantation. Thanks to research into immuno-suppressant agents, people of all ages are celebrating successful transplantations. And so are we.

We are celebrating more than ten years since our clinical trials began on an agent that has changed transplant medicine forever. And the research continues.

Our research has meant a breakthrough for medicine. For thousands of Canadians, it means life.

Research means life.

When it comes to financial health, we've never felt better.

At Met Life, we're into serious financial business. With over \$1,050 billion of life insurance in force, we provide more life insurance protection than any other company in North America.

And, in fact, our annual check-ups by independent credit rating services consistently score Met Life with the highest ratings available (A.M. Best - A+ Superior; Standard and Poor's - AAA; Dominion Bond Rating Services - R-1 high; Moody's Investor Service - A). Not bad for

an insurance company that's over 120 years old. So if you intend to purchase life insurance, annuities, RRSP's or any other financial services, count on Met Life.

Our slogan: "Get Met. It Pays" is no idle boast... it is our promise to be there for you - now and in the future. And it's backed by our clean bill of health.

Before you consider a policy with any other company, call your nearest Metropolitan Life office. We'll show you a fiscal examination that proves we're in great shape.

GET MET. IT PAYS.
